

The New Auto-Layout System

LineLazer IV – Only from Graco!

Eliminate the hassle of manually laying out parking stalls and pre-marking roadlines with the all new Auto-Layout LineLasers from Graco. Only Graco offers a “better way” to tackle the tough layout jobs with the all new Auto-Layout System LineLasers! Innovation continues to propel the LineLazer family of products to levels unmatched in productivity and time savings – exclusively yours from Graco!

Parking Lot Layout

Accurately Places Layout Dots For You

Simply Connect the Dots

Roadline Layout

Now Pre-Mark and Apply Stripes In One Pass

Finally, a better way to do line striping layout jobs - faster, more accurately, with the exclusive Auto-Layout System from Graco.

Finish Jobs Faster

- 30% faster with walk behind strippers
- 50% faster when using the LineDriver

Less Hassle, Less Fatigue

- No bending to mark the lines
- Eliminates the strain to read the tape measure
- Takes the hassle out of calculating distances and stall sizes

Pin Point Accuracy

- Accurate to 1/4” at 100 feet
- Simple to use everytime

Take the Pain Out of Layout!

- No more tape measures
- No more calculation errors
- No more guessing
- No more sore backs
- No more wasted energy
- No more missed opportunities
- Auto-Layout automatically places dots for layout jobs – saving time and money!

New Digital Display

- The display now shows psi, mph, miles-instant average, lineal foot, gallons and miles-total – All on one screen!

SmartControl™ Digital Tracking System (Auto-Layout System Digital Displays Shown Below)

Track, measure and control every aspect of your jobs.

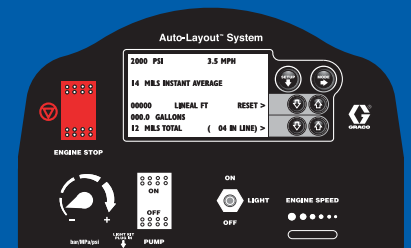

Stripping Mode

Parking Lot Mode

Road Mode

Both the LineLazer IV 3900 and 5900 featuring the exclusive new Auto-Layout System allow you to do layout jobs without the hassle and “pain” – only from Graco.

New Digital Display

- The display now shows psi, mph, mils-instant average, lineal foot, gallons and mils-total – all on one screen
- Simple push button design makes it easy to use
- Back-lit feature can be seen in all conditions

Exclusive Durable Can Holder Design

- Folds up for on-board storage
- Pivots forward or backwards if hit
 - Built to last in all conditions

Rear Gun Mount System

- Ability to place the guns near the rear axle for applying straighter long lines and smoother curved lines
- Combine with Auto-Layout System for one pass dot marking and line striping

Advanced Vibration Reduction System

- Removes engine vibration, taking line quality to the next level
- Up to 60% less vibration at the spray tip than the competition

Chromex Pump Rod

- Long life rod treatment built for the most demanding applications
- 4 times harder than ordinary chrome

Flow-Through Easy Out Filter

- Filter element removes with the cap for convenient, mess-free access
- Flow-through design flushes faster for quicker color changes
